

PREFACE

The Pension Regulations for the Army are divided into two parts as under :—

Part I—Containing regulations regulating the pensionary awards of personnel of the Regular Army, the Defence Security Corps and the Territorial Army.

Part II—Containing regulations relating to delegation of powers and pension procedure affecting the personnel whose pensions are regulated by the regulations in Part I.

2. The regulations in this Part supersede the rules in Pension Regulations for the Army in India, Part III (1940 Edition) and have been issued under the authority of the Government of India.

3. Except as otherwise provided in these Regulations or elsewhere, the regulations contained in this Part apply to personnel governed by the New Pension Code. Those who are not so governed or for whom no provision is made in these Regulations will continue to be governed by the Pension Regulations for the Army in India, Part I, II & III (1940 Edition) and other orders supplementary thereto.

4. No deviation from the regulations in this Part is permissible without the prior sanction of the Government of India.

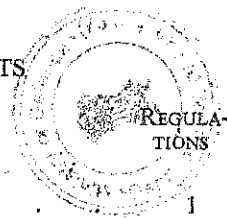

5. Permanent orders of only general application have been incorporated in these Regulations. Sanctions having a purely transitory interest have, however, not been included, and where such sanctions are at variance with these Regulations, the sanctions should be viewed as operative for only so long as they remain in force.

6. The disposal of the rules in Pension Regulations for the Army in India, Part III (1940 Edition) and authority for each regulation in these Regulations are shown in two explanatory memoranda at the end of this part.

NEW DELHI,
The 4th April, 1961.

CHAPTER III—ANTICIPATORY PENSIONS, ADVANCES OF PENSIONS, PROVISIONAL PAYMENT OF FAMILY GRATUITY AND PENDING ENQUIRY AWARDS

SECTION I—ANTICIPATORY PENSIONS AND PROVISIONAL PAYMENT OF FAMILY GRATUITY

Sub-Section I—Anticipatory Pensions

Anticipatory pensions

26. (a) Subject to the provisions of clause (c) below, when delay is anticipated in reporting on the claim to pension of a Commissioned Officer or in the final sanction of a pension to (i) an officer of the Military Nursing Service or (ii) a Junior Commissioned Officer, Other Rank or Non-Combatant (Enrolled), the Controller of Defence Accounts (Pensions) may, upon a declaration as follows by the individual concerned, sanction the immediate disbursement of the retiring/service pension to which, after the most careful summary investigation that he can make without delay, he believes the individual to be entitled :—

Declaration :—

Whereas the Controller of Defence Accounts (Pensions) has consented, provisionally to advance to me the sum of Rs..... p.m. in anticipation of the completion of the enquiries necessary to enable the pension sanctioning authority to fix the amount of my pension, I hereby acknowledge that, in accepting this advance, I fully understand that my pension is subject to revision on the completion of the necessary enquiries, and I promise to raise no objection to such revision on the ground that the provisional pension paid to me exceeds the pension to which I may be eventually found entitled. I further promise to repay any amount advanced to me in excess of the pension to which I may be eventually found entitled.

NOTE.—In the case of Gorkha personnel below officer's rank domiciled/ residing in Nepal, the anticipatory pension will be sanctioned without prior production of the declaration form. However, the pension disbursing officer will invariably obtain this declaration form from the pensioner before making first payment of anticipatory pension and forward it to the Controller of Defence Accounts (Pensions).

(b) If, upon the completion of the necessary investigation, it be found that the pension thus summarily assigned differs from the pension finally settled, the difference shall be adjusted in the first subsequent payment.

(c) No anticipatory pension shall, however, be sanctioned to an individual when intimation is received that he was involved, whilst in service, in a loss or irregularity relating to public funds, which is under investigation.

27.

Sub-Section II—Procedure for speedy payment of family gratuity and finalisation of family pension claims in cases of deaths due to flying accidents or parachute jumping

Speedy payment of family gratuity and finalisation of family pension claims.

28. The procedure in this sub-section is intended to ensure speedy payment of family gratuity and finalisation of family pension claims in cases of death of army personnel including Territorial Army personnel due to flying accidents or parachute jumping. The highest priority will be given to the completion of proceedings of the court of enquiry, which have a vital bearing on the finalisation of the pensionary awards in this type of case. It will be ensured that no delay occurs at any stage in forwarding the proceedings with the necessary remarks to the Government through the prescribed channels. Claimants will be assisted in filling up the details in the prescribed pensionary forms. The offices of the recruiting organisation will take action personally to reduce to the minimum the time necessary for the verification of the details of the claims by the civil authorities.

The detailed procedure to be followed in regard to initial action and reporting progress in the finalisation of the claim is laid down in Appendix II.

Provisional payment of family gratuity.

29. (a) The competent authority may pay an amount equivalent to 75 per cent of the family gratuity *vide* regulations 104 and 232 of Part I of these Regulations (subject to eventual adjustment against the family pensionary awards) immediately on receipt of the prescribed report accompanied by the relevant documents, to the widow of an officer or to the family of a Junior Commissioned Officer, Other Rank or Non-Combatant (Enrolled) who is killed while on flying duty in a service aircraft or while being carried on duty in a service aircraft under proper authority.

(b) The provisional payment of family gratuity will be adjusted in accordance with regulation 32.

(c) The gratuity shall be calculated with reference to the paid acting rank held in respect of casualties on or before 31st May 1963, or if no such rank was held, with reference to the substantive rank of the deceased individual *vide* regulation 93 and regulation 223 and notes thereunder of Part I of these Regulations.

Competent authority.

30. The competent authority for the purpose of regulation 29 will be the Controller of Defence Accounts (Officers) where the deceased individual was an officer, and Pay & Accounts Officer concerned in other cases.

Procedure for payment.

31. (a) Where the deceased individual was an officer—

(i) The Controller of Defence Accounts (Officers) will authorise the treasury from which the widow desires payment.

Payment will be subject to the widow signing the following declaration :—

- (ii) The Controller of Defence Accounts (Officers) will inform the Ministry of Defence and the Controller of Defence Accounts (Pensions), of the action take under the preceding sub-clause. He will also indicate the amount of family gratuity paid, on the last pay certificate of the deceased officer issued to the Controller of Defence Accounts (Pensions), for eventual adjustment.

(b) Where the deceased individual was a Junior Commissioned Officer/Other Rank/Non-Combatant (Enrolled)—

- (i) The Pay Accounts Officer concerned will sanction the payment of the appropriate amount and intimate the particulars to the Record Officer concerned.
- (ii) The Record Officer will remit the amount through ordinary money order to the heir nominated for family pension, or if the nominated heir is dead or there is no nomination, to the living heir standing highest among the relatives specified in regulation 216 in Part I of these Regulations without verification in either case as to his or her eligibility for family pension under regulation 219 *ibid*, apart from those which can be checked from the latest entries in the service records.

Intimation as under will be included in the foot-note of the money order form :—

“The sum of Rs. ————— as family gratuity, consequent on the death of your ————— (here insert relationship, rank and name of the deceased individual) is sent herewith as provisional payment till the necessary enquiries.

and investigations are completed and your correct entitlement to the pensionary award, in respect of the late _____ is determined. The amount now advanced will be adjusted against the family pensionary awards which are finally found to be admissible."

Money order charges incurred on such remittances will be borne by the State.

- (iii) The Officer-in-Charge, Records concerned, will inform the Ministry of Defence, the Controller of Defence Accounts (Pensions), and the appropriate Pay and Accounts Officer, of the particulars of the remittance, as also its actual payment when made, to the family member. He will also indicate the amount of family gratuity paid on the family pension claim form; whereas the Pay Accounts Officer will note that amount on the last pay certificate, for eventual adjustment.

Adjustment of provisional payment.

32. (a) Where the deceased individual was an officer—the Controller of Defence Accounts (Pensions) will specify the provisional payment made by way of 75 per cent of family gratuity, in his audit report, when he submits the claim to special family pensionary awards with the prescribed documents, for orders of the Government. Those orders will provide for the proper adjustment of the provisional payment against the final awards admissible to the family under the regulations.

(b) Where the deceased individual was a Junior Commissioned Officer/Other Rank/Non-Combatant (Enrolled)—the provisional payment of 75 per cent of the family gratuity will be adjusted in accordance with the procedure in force for adjustment of payments of Pending Enquiry Award against the final awards admissible to the family under the regulations.

*Sub-section II—Pending enquiry awards.***Object and nature of pending enquiry awards.**

41. (a) The pending enquiry award scheme is intended to relieve the financial difficulties of personnel below officer rank and their dependants when such personnel are invalided out of the service or die and the invaliding disability or the cause of death is considered *prima facie* due to military service or is accepted as such, by the competent authority with reference to the applicable entitlement rules. Under this scheme, provisional awards will be made pending completion of the enquiries and other steps which may be necessary before a pension claim can be finally admitted.

(b) The scheme does not affect the payment of anticipatory pension under regulation 26, or provisional payment of family gratuity under regulation 28.

Circumstances in which pending enquiry award may be made.

42. (a) **Disability pension claims.**—Cases in which the Controller of Defence Accounts (Pensions) is unable to sanction a disability pension within a month of the receipt of the claim in his office; and

- (i) the Controller of Defence Accounts (Pensions) is satisfied that *prima facie* the disability is attributable to or aggravated by the individual's military service or when this is not the case, entitlement is conceded by the competent authority, or in the opinion of the local administrative authorities, in injury cases, and of medical boards in disease cases, the disability is attributable to or aggravated by the individual's military service before 1st April 1948, (this opinion will appear on IAFY-2006 or A.F.M.S.F. 16 or both), and
- (ii) the disability is assessed at 20 per cent or above.

(b) **Family pension claims.**—Cases of the following types in which the Controller of Defence Accounts (Pensions) is unable to sanction a family pension (including children's allowance) within a month of the receipt of the claim in his office:—

- (i) all killed in action and battle accident cases;
- (ii) cases where the Controller of Defence Accounts (Pensions) is satisfied that *prima facie* the cause of death is attributable to or aggravated by the individual's military service, or when this is not the case, as soon as entitlement is conceded by the competent authority;
- (iii) injury and disease cases where, in the opinion of the administrative authorities or the medical authorities respectively, the cause of death is due to individual's military service before 1st April 1948; and

- (iv) cases where the deceased ex-serviceman was in receipt of a disability pension or was admitted such pension posthumously and the cause of death is accepted by the competent authority as attributable to or aggravated by his military service.

Amount and date of effect.

43. (a) Disability pension claims.—An award will be made at a monthly rate equal to the appropriate rate of disability pension based on the degree of disablement assessed by the medical board or the Medical Adviser (Pensions), where the case is referred to him.

In cases where the individual has been granted anticipatory pension, however, the award will be at the rate equal to the disability element of disability pension.

The award will be made with effect from the date following that of discharge from the service.

(b) Family pension claims.—An award will be made at a monthly rate equal to :—

- (i) the appropriate amount of family pension, plus
- (ii) the appropriate amount of children's allowance according to the number of living minor children (sons upto 18 and daughters upto 16 years of age or marriage whichever is later), if any, shown in the kindred roll portion of the sheet roll.

The award will be made with effect from the date following that of the death of the individual but in a case where family allotment has been paid and the allottee is the recipient of the award, the award will commence from the date following that upto and for which family allotment has been paid.

In a case where, however, the documents necessary to determine entitlement to family pension are received in the office of the Controller of Defence Accounts (Pensions) after a period of 12 months from the date of death or the date specified in clause (D) of regulation 88, as the case may be, the grant of arrears of pending enquiry award will be regulated by regulation 88.

To whom payable.

44. (a) Disability pension claims.—The award will be made to the individual invalided out of the service.

(b) Family pension claims.—The award will be made to the heir nominated for family pension as shown in the sheet roll or if the nominated heir is dead or if there is no nomination, to the living heir standing highest among the relatives specified in regulation 216, Part I of these Regulations without verification in either case as to his eligibility for family pension under these Regulations except to the extent that such verification can be made on the basis of the entries in the service records.

Any case of doubt will be submitted for orders of the Government.

Procedure.

45. Record Officers will submit to the Controller of Defence Accounts (Pensions), disability pension claims as soon as the medical board proceedings have been approved, and family pension claims as soon as possible after the receipt of the casualty report.

In case of family pension claims, the Record Officer, while forwarding the claim, will state in each case whether family allotment was being paid and if so, the name and relationship of the allottee and the date up to and for which it was paid.

Payments.

46. (a) Intimation of the grant of a pending enquiry award and its particulars will be sent by the Controller of Defence Accounts (Pensions) by express letter to the Record Officer concerned, who will arrange payment of the award through ordinary money order.

The money order charges will be borne by the State.

(b) In remitting the pending enquiry award to the claimant, the Record Officer will explain to the payee the object and the nature of the award as stated in regulation 41 (a) and make it clear that the award is provisional only and will cease if and when the pension is sanctioned or the claim to pension is rejected.

(c) In a case where pending enquiry award is sanctioned to a claimant to disability pension who lives in Nepal, the award, instead of being remitted by money order, will be paid to the claimant in lumpsum when he visits the Recruiting Office, Kunraghat or Ghoom or the Indian Embassy, Nepal, as the case may be, provided that during the time that lapses between the sanctioning of the pending enquiry award and the claimant's visit, the claim is not finally rejected or sanctioned.

In cases of claimants to family pension, who live in Nepal, the Recruiting Officers for Gorkhas at Kunraghat and Ghoom or the Indian Embassy, Nepal, as the case may be, will disburse pending enquiry awards at their discretion in lump sum for the period during which in their opinion, the individuals remained eligible for special family pension. All payments of pending enquiry awards and also all amounts which have been sanctioned and which are not paid, will be notified to the Record Officer concerned. The amount of pending enquiry award and the period for which payment has been made, shall also be recorded in Part II of the pension claim form (IAFA 366); in cases where no payment had been made, a note to that effect will be made in the form.

Termination of pending enquiry award.

47. In all cases the pending enquiry award shall be stopped on receipt of intimation by the Record Officer from the Controller of Defence Accounts (Pensions) regarding the acceptance or rejection of the claim.

Intimation of rejection of the claim will be sent by the Controller of Defence Accounts (Pensions) to the Record Officer concerned by telegram (with a post copy) to avoid further payment.

The Record Officer will also stop further payment of pending enquiry award :—

- (a) on receipt of order of the Government regarding acceptance or rejection of the claim, or
- (b) if definite information, duly verified, is received through service sources, the local civil authorities or Soldiers' Sailors' & Airmen's Board or officers of Recruiting organisation, regarding the ineligibility of the recipient for special family pension.

In all such cases, the Record Officer will inform the Controller of Defence Accounts (Pensions) as to the months up-to and for which the pending enquiry award has been paid.

Adjustment of pending enquiry awards.

48. (a) **Disability pension claims.**—(i) If the claim is rejected, no recovery of the amount paid as pending enquiry award shall be made.

(ii) If the claim is accepted, the amount paid as pending enquiry award shall be adjusted by the Controller of Defence Accounts (Pensions) against the award of disability pension.

(b) **Family pension claims.**—(i) If the claim is rejected, the amount paid as pending enquiry award shall not be recovered.

(ii) If the claim is accepted, the amount paid as pending enquiry award will be adjusted as indicated below :—

(A) When the recipient of the pending enquiry award and the family pension finally sanctioned is the same, the amount paid as pending enquiry award will be adjusted against the award of family pension.

(B) In cases where :—

- (1) the recipients of the pending enquiry award and the family pension finally sanctioned are husband and wife (or *vice-versa*), or
- (2) the recipient of the pending enquiry award is the father of the deceased and family pension is sanctioned to the widow or the child of the deceased, or
- (3) the recipient of the pending enquiry award waives his/her claim in favour of the widow and the family pension is sanctioned to the latter,

the amount paid as pending enquiry award will be adjusted against the arrears of family pension due under the regulation and the balance, if any, recovered from the pension sanctioned in instalments not exceeding one third of the pension.

(C) All other cases will be submitted for orders of the Government. Pending such orders, the arrears of family pension to the extent of the amount paid as pending enquiry award will be withheld from the recipient of the family pension. If the amount paid as pending enquiry award exceeds the arrears of family pension admissible, the balance will be recovered from the family pension in instalments not exceeding one third of the pension. Final adjustment, will be made on receipt of orders of the Government.

Review of cases.

49. The Controller of Defence Accounts (Pensions) will review every four months all cases of pending enquiry awards to ensure that there has been no avoidable delay in sanctioning pensions.

50.

Recovery of public claims, regimental debts and regimental claims from pension

93. (a) Subject to the provisions of clause (b) below, a public claim against a pensioner, a regimental debt due from him or a regimental claim which the President may direct him to pay, shall be recoverable from his pension, gratuity or commuted value of pension.

(b) A public claim or regimental debt, shall not be recovered from the disability pension of an officer or soldier, except under the special orders of the President.

Mode of recovery of public claims (other than overpayments of pensions), regimental debts and regimental claims

94. Public claims, other than those on account of overpayment of pensions (for which see regulation 95 *et seq*) regimental debts and regimental claims which the President directs an individual to pay, shall be adjusted as under :—

(i) Retrenchments on account of excess issues of pay and unauthorised expenditure, stoppages other than those awarded under the Army act, the value of losses and all other claims for which Government holds an officer liable, shall be recovered in monthly instalments of one-third of pension until the full claim is liquidated. A competent authority may, if it is satisfied that there are reasonable grounds for such a course, which must be recorded in writing, relax this regulation and order recoveries to be made in smaller amounts which in no case shall exceed twelve instalments, in number.

(ii) In the case of public claims other than those specified in sub-clause (i) above and regimental debts which are not disputed, the Commanding Officer/Record Officer of the person against whom the claim is made or from whom the debt is due may order the recovery of the amount from his pension in such instalments as the Commanding Officer /Record Officer considers reasonable.

(iii) In the case of a regimental debt where the person from whom it is due disputes the correctness of the amount or repudiates his liability, such debt becomes a regimental claim and shall be recovered only under the orders of the President.

(iv) The mode of recovery from disability pension shall be determined by President in each individual case.

(v) If the individual is eligible for a gratuity in lieu of a pension or if he has commuted a portion of his pension, the whole amount of the claim shall be recovered in one instalment from the gratuity or commuted value of the pension, as the case may be.

Overpayments of pension

95. (a) Overpayment of pension in India due to an error in law (including those due to misinterpretation of regulations and orders) shall not be recovered, but shall be reported to the President through Controller General of Defence Accounts.

Any case in which there is a doubt or a difference of opinion between the Controller of Defence Accounts (Pensions) and the authority referred to in clause (b) (i) as to whether the overpayment was due to an error in law, or due to misinterpretation of regulations and orders, shall be submitted to the President through the Controller General of Defence Accounts for orders.

Cases of overpayment in such circumstances outside India shall be reported to the President through the Controller General of Defence Accounts for orders.

(b) Overpayment of pension due to any other reason (including those involving fraud or grave misconduct) shall be dealt with as follows :—

- (i) **Those challenged in audit within 12 months from the date of Payment.**—If a pension is payable, further payments shall be made at the correct rate and the overpayment recovered in instalments of one-third of the pension.

If the circumstances leading to overpayment disclose fraud or grave misconduct, and in the opinion of the Controller of Defence Accounts (Pensions) warrant the stoppage of the pension in full or recovery of overpayments in instalments of more than one-third of the pension, a report shall be submitted (through the Controller General of Defence Accounts in cases of pensions drawn outside India) to the competent authority, who shall decide each case on its merits and communicate his decision to the Controller of Defence Accounts (Pensions). Further adjustment as may be necessary will be carried out by the Controller of Defence Accounts (Pensions) on receipt of such orders.

If no pension is admissible, payment shall cease immediately the error is detected and a report of the circumstances leading to the overpayment shall be submitted (through the Controller General of Defence Accounts in cases of pensions drawn outside India) to the competent authority.

- (ii) **Those not challenged in audit within 12 months from the date of payment (including those where payments were made partly within 12 months and partly at a date or dates more than 12 months anterior to the date of challenge).**—If a pension is payable, further payments shall be made at the correct rate

and a report of the circumstances leading to the overpayment shall be submitted (through the Controller General of Defence Accounts in cases of pensions drawn outside India) to the competent authority. Pending the orders of that authority, no recovery of the overpayment shall be made.

If no pension is payable, payment shall cease immediately the error is detected and a report of the circumstances leading to the overpayment shall be submitted (through the Controller General of Defence Accounts in cases of pensions drawn outside India) to the competent authority.

(c) **Action to be taken by the competent authority.**—(i) On receipt of the reports specified in clauses (b) (i) and (b) (ii) above, the competent authority shall decide, subject to the provisions of sub-clause (ii) below, whether the whole or any portion of the overpayment shall be recovered or written off or in cases involving fraud and misconduct whether the pension shall be withheld wholly or reduced, and if so, permanently or temporarily, as the case may be, and communicate his decision to the Controller of Defence Accounts (Pensions).

Any amount withheld under this rule shall be adjusted against the overpayment to the extent necessary.

(ii) In cases of pensions drawn in India, overpayments made during the 12 months preceding the date of challenge in audit shall not be written off unless it is absolutely impossible to effect recovery.

(d) **How recovery is made.**—If the competent authority decides that the overpayment should be recovered, recovery shall normally be effected in instalments of one-third of the pension unless otherwise specified in the orders. If no pension is payable, the method of recovery shall be decided by the competent authority (in consultation with Controller of Defence Accounts (Pensions) in cases of pensions drawn in India).

Powers of the Controller of Defence Accounts (Pensions) to write off overpayments of pension.

96. Overpayments of pension not due to an error in law (including a misinterpretation of regulations and orders) which are, from any cause, irrecoverable may be written off by the Controller of Defence Accounts (Pensions) up to an amount not exceeding Rs. 250 in each case.

Overpayments indicating defective system or serious failure of audit.

97. Should the circumstances in which overpayment has been made in any case reveal any serious irregularity or defect in procedure or serious failure of audit for which the staff of the Defence Accounts Department is responsible, a full report of the case shall be made by the Controller of Defence Accounts (Pensions) to the Controller General of Defence Accounts who shall take such further action as may be necessary.

98.

99.

SECTION III—JUNIOR COMMISSIONED OFFICERS, OTHER RANKS AND NON-COMBATANTS (ENROLLED) AND THEIR FAMILIES.

Overpayments in India on account of erroneous grant of more than one family pension.

100. Overpayments made consequent on the erroneous grant of more than one family pension to the same pensioner may be written off by the competent authority provided that it is established that the overpayments were made in good faith and that there has been no attempt to defraud.

Overpayments resulting from false certificates of widowhood or non-marriage recovery from pension.

101. Overpayments of pension obtained by female pensioners on presentation of false certificates of continued widowhood shall, irrespective of the amount involved be referred to the competent authority for orders as to the manner in which the sum fraudulently drawn by the alleged widow shall be recovered from the pensioners who signed the false certificates. Unless the pensioners who signed such a certificate can offer a satisfactory explanation other than that they were ignorant of the widow's remarriage, the sum obtained by the alleged widow with the aid of the certificates shall be recovered from the pensioners who signed it in share proportionate to the pension which they are receiving, subject to the proviso that the monthly pension of each pensioner shall not be reduced by more than one-third. In a case of this nature no discretion shall be vested in the competent authority to waive the recovery from the certifying pensioners of the amount irregularly paid.

The provisions of this regulation shall also apply *mutatis mutandis* to overpayments of pension made to female pensioners who submit false non-marriage certificates.

CHAPTER VII—PROCEDURE FOR COMMUTATION OF PENSIONS

SECTION I—GENERAL

SECTION II—COMMISSIONED OFFICERS INCLUDING OFFICERS OF MILITARY NURSING SERVICE

Extent of application.

106. The regulations in this chapter shall apply to commissioned officers and officers of the Military Nursing Service.

Age for commutation.

107. The age for the purpose of commutation shall be in accordance with the date of birth indicated in the audited Army List. Where, however, the date of birth has not been verified in audit, the case shall be submitted for orders of the Government.

Submission of application and arrangement for medical examination.

108. (a) A pensioner desirous of commuting a portion of his/her pension shall apply in the prescribed form (see Appendix IV) to the following authorities :—

In India To Headquarters of the command in which he/she resides, through the Controller of Defence Account (Pensions).

Outside India To the Secretary to the Government of India, Ministry of Defence through the official who pays the pension and the Controller of Defence Accounts (Pensions).

(b) In order to ensure that the payment is made at the rate shown for the specified age, it is essential that the application to commute should reach the command headquarters, at least one month before the date on which the applicant will attain such age. Such applications from officers residing outside India should reach Government of India, at least three months before the date on which the applicant will attain such age.

(c) The capital sum payable shall be assessed by the Controller of Defence Accounts (Pensions) and intimated to the headquarters of the command concerned or to the Secretary to the Government of India, Ministry of Defence as the case may be, when forwarding the application, for communication to the applicant.

If the applicant is residing in India, the Command Headquarters shall arrange a medical board at any station in India that may be convenient to him/her and the administration, such boards being assembled under the orders of the State Government/Administration and presided over, when practicable, by the chief civil administrative medi-

cal officer of the State/Administration. In cases where difficulty may arise in the assembly of a civil medical board, the command headquarters may, at their option, convene a suitable services medical board for the purpose.

The pensioner shall at the same time be informed of the date on which he/she should present himself/herself for examination by a medical board, which in no case, shall be earlier than the actual date of retirement. He/She shall have the option of withdrawing his/her application at any time before the date fixed for his/her medical board.

Medical board's fees—By whom borne in India.

109. (a) **Civil medical board.**—If the examination is conducted by a civil medical board in India, the pensioner shall pay a fee of Rs. 16, one fourth of which, viz., Rs. 4, shall be credited to Government as revenue of the civil department concerned and the balance, viz., Rs. 12 shall be paid by the pensioner in cash to the Board at the time of the medical examination to be retained and divided by the members of the board among themselves.

The authority competent to convene the civil medical board shall when sending an intimation to the pensioner, direct him/her to deposit the Government share, i.e., Rs. 4, into the civil treasury or the Reserve Bank of India, or its agencies carrying on treasury functions for the time being on behalf of the Central Government and to hand over the receipt along with the balance of fee viz., Rs. 12, in cash to the board at the time of examination. The above authority shall also direct the board to forward the receipt and the medical certificate to the civil audit officer concerned and the Controller of Defence Accounts (Pensions), respectively.

(b) **Services medical board.**—No fee shall be payable by the pensioner in respect of his/her first examination when he/she is examined by a services medical board.

Form of medical board report.

110. The medical board shall report in the following form:—

“We have carefully examined.....and are of the opinion that he/she is _____ in good bodily health and _____ has the prospect of an average duration of life. We therefore (or do not) recommend compliance with his/her application to be allowed to capitalise a portion of his/her pension.

I.A.F.M.—1253 duly completed in our presence is also attached.”

In the case of impaired lives in which officer's application is recommended, but with an addition of years of age, the following form shall be used:—

“We have carefully examined.....and are of the opinion that he/she is not in good bodily health and has not the prospect of an average duration of life. We, however, recommend compliance with

his/her application to be allowed to capitalise a portion of his/her pension, but as he/she is suffering from.....his/her age for the purposes of commutation *i.e.* his/her age next birthday, should be taken to be years more than his/her actual age.

I.A.F.M.—1253 duly completed in our presence is also attached.”

NOTE.—Score out the portion which is not applicable.

Payment of commuted value in India.

111. (a) (i) If the board reports that the pensioner has an average expectation of life, the capital sum already notified to the officer shall be paid in the manner indicated by him/her on his/her form of application.

(ii) In cases where an addition to his/her age is recommended, the pensioner shall be informed by the Controller of Defence Accounts (Pensions) by registered post and with acknowledgement due of the board's recommendation and of the capital sum payable in view thereof. The applicant may withdraw his/her application by written notice to the Controller of Defence Accounts (Pensions) despatched within two weeks from the date on which he/she receives intimation of the revised sum payable on commutation. If the applicant does not withdraw in writing his/her application within the period of two weeks prescribed above, he/she shall be presumed to have accepted the sum offered.

(b) The capitalised sum shall be payable in India.

(c) Payment of commuted value shall be made as expeditiously as possible but in the case of an impaired life, no payment shall be made until—

(i) the period in which the application for commutation may be withdrawn has expired, or

(ii) earlier, if a written acceptance of commutation is received.

If in any case the commuted portion of pension has been drawn after the date on which the commutation became absolute, the amount drawn shall be deducted from the amount payable in commutation.

(d) If the pensioner dies on or after the day on which commutation became absolute, but before receiving the commutation value, this value shall be paid to his/her heirs.

Opening of rejected applications for commutation and payment of fees for the medical examination by a second medical board.

112. (a) A pensioner whose application to commute a portion of his/her pension has been rejected on the recommendation of a medical board or who has once declined to accept commutation on the basis of an addition of years to his/her actual age recommended by a medical board, may, if he/she appears for the revision of the original finding, be

permitted to appear for one re-examination by a medical board, provided that a period of not less than one year has elapsed since the date on which he/she was examined by the first medical board. In such cases the procedure outlined in clause (i) of regulation 109 shall be followed irrespective of whether the re-examination is conducted by a civil or a services medical board, except that when the examination is conducted by the services medical board the Government share of the fee, *i.e.*, Rs. 4, shall be credited as receipt of the Defence Services and the receipt together with the medical certificate shall be forwarded to the Controller of Defence Accounts (Pensions).

(b) If in the opinion of the medical authority prescribed in clause (a) some special examination is necessary which it is not in a position to carry out itself, it may require the pensioner to undergo such examination at his/her expense. No refund of such expenditure shall be given by Government irrespective of the result of the examination.

Recovery of public claims from the commuted value

113. Before the capitalised sum is paid, the Controller of Defence Accounts (Pensions) shall ascertain whether any public claim is outstanding against the applicant and deduct the amount of any such claim from the lump sum which would, but for the claim, be payable to him/her.

Commutation of anticipatory/provisional pension

114. A pensioner who applies for the commutation of a portion of his/her pension and such portion is expressed as a percentage or fraction of the total pension admissible to him/her and is allowed in the first instance to commute such percentage or fraction of his/her anticipatory or provisional pension will, in the event of his/her final pension being more than his/her anticipatory/provisional pension be allowed to commute a further sum without appearing before a fresh medical board, so as to make the commuted amount equal to the specified percentage or fraction of the amount of pension as finally sanctioned. In such cases, commutation as finally sanctioned will also take effect from the date of the original commutation of the anticipatory or provisional pension and the amount of residual pension will also be re-adjusted from the same date.
