The Chief of the Army Staff.
The Chief of the Naval Staff.
The Chief of the Air Staff.

Subject: Admissibility of pro-rata pension in addition to
pay of the post service officers on their absorption
in Public Sector Undertakings.

Sir,

I am directed to say that in this Ministry's Office Memorandum No.F.49/15/6/73/D(PS), dated 22nd August 1975, it was inter-alia provided that while pro-rata pension would be subject to the deduction of the weightage element from the standard rate of pension in the case of service officers with 20 years or more service who would be permanently absorbed in Defence Public Sector Undertakings after the date of issue of the said Office Memorandum, no such deduction would be effected from the pension of those who had already been absorbed in these Undertakings. Similarly, while extending the provisions of the above Office Memorandum to the service officers absorbed in the civil Public Sector Undertakings vide this Ministry's letter No.32(1)77/D(Pension/Services), dated the 10th April, 1978 it was stipulated that no deduction on account of the weightage element would be made from the standard rates of pension of such officers with 20 years or more service who had been permanently absorbed in the civil Undertakings prior to the date of issue of the letter viz. 10th April, 1978. The President has now been pleased to decided that no deduction on account of weightage element would be made from the standard rates of pension for the assessment of pro-rata pension of such service officers who after rendering 20 years or more service were absorbed in the Defence Public Sector Undertakings on or after 22nd August 1975 but prior to 10th April 1978.

2. The above decision will have effect from the date of issue of this letter.

3. This issues with the concurrence of the Ministry of Finance (Defence) vide their No.705/S/Pen/83, dated the 23rd May 1983.

Yours faithfully,

Sd/--
